Below are time adjusted experimental results showing times in seconds.

Purple numbers rounded to 1 decimal place but not rounded in all calculations.

With MF, a long race favours the late starters and a short race favours early starters.

With %TA, the race length makes no difference. If you sail better than usual you will be near the top.

If you sail worse than usual you will be near the bottom. Possibly a fairer system????

### Combined Fleet results -->Club Racing 19-5-18

Well done Eric.  
Congratulations

Second Lloyd
