1. You are required to do one week as assistant, and one week as Race Officer.

If for any reason you cannot attend to your duties it is YOUR responsibility to find a replacement

2. Race Officer Duties are clearly displayed on the notice board, and the lock up procedure is on the wall above the batteries. Read these and make yourself familiar with them.

3. Please ensure as race officer the tea towels and hand towel are taken home washed, and returned for the following week.

The first Wednesday of the month, can be an "other boats" day, powered by other means.

It is the responsibility of the Race Officer to set the course for the days racing.

If some members are not at ease putting out the buoys, seek out a committee member for help.

We are in need of volunteers for the club champs, please let me know ASAP if you're available and I can slot you in.
