Race Officer Duties are clearly displayed on the notice board, and the lock up procedure is on the wall above the batteries. Read these and make yourself familiar with them.

Please ensure as the race officer the tea towels and hand towel are taken home washed, and returned for the following week.

If you are at Rua or for some other reason you are using the sheets to record race result please complete all sheets clearly and fully as required. Both sheets are passed on to the person doing the race results.

It is the responsibility of the Race Officer to set the course for the days racing.
