FLEET RACING (A & B) OR (A, B & C)

GUIDANCE FOR LAKESIDE COMPUTER PROGRAM.

Information for Race Officers to use on the day.

If you open up the blue folder in the clubhouse you will find info on page 1, 2 & 3 for the initial setting up of the computer.

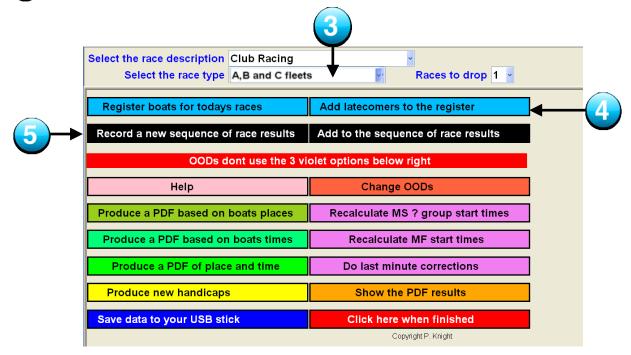

Warning for the day. Don't click on the cross at the top right corner of computer window, as you will lose your last race results.

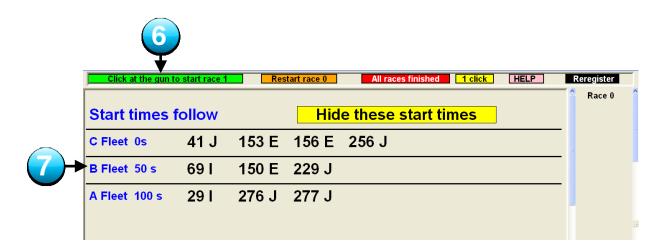

Select the race description. Check the programme to see if there should be another choice selected.

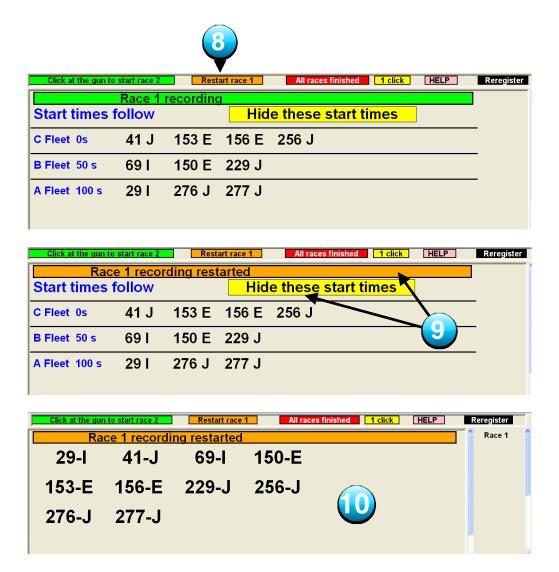

Select the race type. You can choose A, B and C fleets. Though this can be changed if their are small number of enters. Done after registrations have finished.

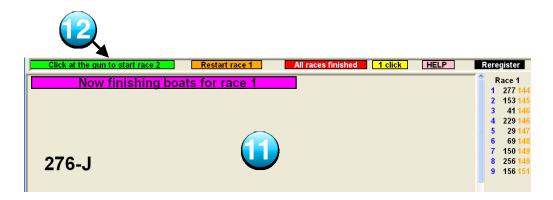

- Click Register of boats for the day.
- Opportunity to change number of fleets.
- 4 Add any latecomers.
- Ready to record a new sequence of race results

- 6 Click on green label. This will then show you the fleets and the the boats start time.
- Put this information on the whiteboard so sailors know what they are in for that race. When all sailors have information and are ready to start start the count down start timer.
- When the gun goes to start the race at 0 secs. Click on Restart race 1 as this resets the clock for the times results.
- Note after clicking on Restart race 1.
 You get a orange box Race 1 recording restarted.
 After all boats have started on their correct start time.

Window as it looks with the finishing of boats.

If a boat does not finish, then results will show it as DNF.

If you have recorded a boat in the wrong placing.

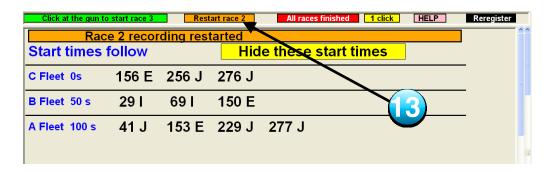

Refer to the Lakeside Computer guide page 9. You will also see how to finish a boat on the water.

"Click on the green button to start race 2" as this will show you the new fleets for race 2.

Click at the gun to	start race 3	Rest	art race 2	All races finished 1	click	HELP	Reregister
Race 2 recording							
Start times follow		Hide these start times			_		
C Fleet 0s	156 E	256 J	276 J				a
B Fleet 50 s	29 I	69 I	150 E				
A Fleet 100 s	41 J	153 E	229 J	277 J			

Inform sailors of the fleet they are in.

Restart at the gun.

The sequence is repeated for all races.

After the **last race** you must left click on.

After 3 to 5 seconds the following window should appear.

If it does not, it could be that over half the fleet has been DNF.

Therefore;- Left click on All races finished 3 times. (safe guard measure)

All races finished
