These results are usually divided into 3 sections. Section 1 are the official results.

**Section 1**

with MS 1,2 or 3 groups etc., results are NOT handicapped.

with MF, results are ALWAYS handicapped using a fixed handicap for each race.

with A and B or C fleets, results are ALWAYS handicapped using a variable handicap for each race.

**Section 2**

results are NEVER handicapped. The times are used to generate %TA values for section 3.

**Section 3**

ALWAYS shows percentage time adjusted handicapped results.

The mixture of handicapped and UNhandicapped results should keep everyone happy???

**Thankyou race officer Tom**
