These results are usually divided into 3 sections. Section 1 are the official results.

Section 1

with MS 1,2 or 3 groups etc., results are NOT handicapped.

with MF, results are ALWAYS handicapped using a fixed handicap for each race.

with A and B or C fleets, results are ALWAYS handicapped using a variable handicap for each race.

Section 2

results are NEVER handicapped. The times are used to generate %TA values for section 3.

Section 3

ALWAYS shows percentage time adjusted handicapped results.

The mixture of handicapped and UNhandicapped results should keep everyone happy???

Thankyou race officers Bob

and Peter
